Catholics are called to stand with immigrants and refugees as our brothers and sisters.

Pope Francis invites us to be part of a culture of encounter as we welcome, protect, integrate, and promote immigrants and refugees in our midst.

Immigration is about real people who are trying to find a better life and a new beginning. It’s about families. Pope Francis says: “Each migrant has a name, a face and a story.”

The Catholic Church has been welcoming immigrants and refugees to the United States since the nation’s founding.
