“There is in each of us so much goodness that if we could see it glow, it would light up the world.”

***2020 Delegation to El Salvador***

For me, a trip to a country like El Salvador is a bitter sweet experience. The sweet part is spending time with the faith communities and seeing how they put their faith into action by taking care of one another. It puts one in mind of the early Christian communities that St. Paul wrote about.

The Salvadorans freely offered welcome to the stranger and gave us a sense of the importance of developing a loving community. The decade of upheaval caused immense suffering that still lingers, but it gave the people a Saint in Oscar Romero. This man spoke for his people and offered them hope.

The not-so-sweet part is seeing how hard the people have to work for the bare necessities. One can work hard to gain skills or an education and find there are no job opportunities waiting for them. We witnessed how readily people would take advantage of the opportunities to start a small business when offered start up funds and some training. Instead of building walls it would be wonderful if we could help build bridges of opportunity for these people. Oscar Romero followed Jesus’s message of caring for the poor. This should be the same message for all of us.

~ Dean Duncan

Green Tips

*Bring reusable utensils:*

A stainless steel fork, spoon, knife and water container won’t take up a lot of room in your car or bag, but they’ll save a ton of plastic in the long run.

Prayer is not easy.

*It is not the speaking of many words. It is the raising of the heart and mind to God in constantly renewed acts of love. We must lift our lamp of faith that it may show us what prayer is, and what are its power and dignity. Into the darkness we must whisper our prayer. Lord teach us how to pray.*

- Karl Rahner, SJ

There have been emails and texts being sent to parishioners asking for immediate donations, gift cards or money in some form under the name of Tom Lamanna and Jerry Graham.

*These are not legitimate requests!* They are what is called phishing, fake texts or emails. This has not only been happening here at St. Al’s, it is something that we are told is common at all kinds of churches, not just Catholic. The parish will continue to ask for donations but in the usual ways; in the bulletin and on the webpage, from the pulpit, and/or letters mailed to your home address.

**The only emails we ever send will always be by way of FlockNote or our diocesan email addresses:**

.....@flocknote.com
.....@dioceseofspokane.org

and there will always be a disclaimer at the bottom:

Disclaimer: The information contained in this communication from the sender is confidential. It is intended solely for use by the recipient and others authorized to receive it."

Thank you for your diligence and patience in this digital age.
Holiness is possible by the moment! Go out of your way to do something nice for your spouse. That’s Holy!

Before making a decision ask, “Will this help me become a better version of myself?” That’s being Holy!
